

Picture This!

West Michigan is truly an amazing place and WMSA wants to show it off. We are looking for photos of our *region in action* taken by fellow West Michiganders. If you are an amateur 'shutter bug' and have a great picture that tells a story and would like to have your photo showcased on the WMSA website and be a part of an exhibit at the WMSA office, we want to hear from you.

To submit your personal photo(s) for consideration:

- Email personal photo(s) to: info@wm-alliance.org
- Provide a brief description of the photo (i.e. when it was taken, location, any particulars about the photo the viewer should know, etc.)
- Electronically confirm you are the sole owner of the photo(s) being submitted and are authorized to release to WMSA.

Please note the following:

- Photos must be submitted in a JPEG format (file size should not exceed 1mg)
- WMSA reserves the right to reject and return any photos submitted
- Photos submitted become the property of the West Michigan Strategic Alliance (WMSA) and/or its partners
- A signed *Permission to use Photographs* form must be signed before any photo(s) will be used by WMSA and/or any of its partners
- Questions, please email us at: info@wm-alliance.org

Making West Michigan a best place to LIVE, LEARN, WORK & PLAY...
